International Walk to School

“WALK OUR CHILDREN TO SCHOOL DAY”

Dear Parents/Guardians:

The International “Walk Our Children to School Day,” is scheduled for Wednesday, October 7, 2009. In conjunction with this program, we are implementing the “WalkSafe” pedestrian safety program curriculum during the walking event.

This international event will promote safe walking skills, physical health, and increased driver awareness of pedestrians around schools. Please visit the official Walk to School website at www.iwalktoschool.org. This site also provides event ideas, classroom activities, and promotional safety materials. On the official Walk to School website, you will find a “Walkability Checklist” to ensure that you have a healthy and safe walk to school on October 7, and every day.

We look forward to seeing all our students and parents participate on Wednesday, October 7.
